

Streamline your lending process.

Let AppOne® simplify and accelerate your retail sales finance process.

We help dealers and lenders streamline the lending process by **reducing keystrokes, avoiding compliance risks, and eliminating recontracting issues.**

As a dealer using AppOne, you can:

- Access a network of local and national lenders with one login.
- Compile necessary deal documents, all at once
- Receive credit applications through your website.
- Track contracts in transit and funding status for our integrated lenders.
- Ditch the dot matrix printer with printable, plain-paper contracts for all lenders.
- Customize your emails and text alerts for lender callbacks.
- Submit loan applications for free when you use AppOne-integrated lenders.

“AppOne saves us so much time by auto-populating forms and keeping all our important information in one place. AppOne ensures mistakes don’t get made and helps our business keep every step streamlined and hassle-free.”

— **Eric Smith**, Finance Manager
Windish RV

*“As we talked with dealers, we quickly found that **to be effective in this industry, you have to use AppOne.** Since we’ve increased the use of AppOne among dealers, it’s greatly improved our relationship with them. **It’s helped us onboard more dealers and increase our volume.**”*

— **Will Schrama**, Vice President
Finance and Operations, RecFi
